I understand that this is a legal document stating I have read and understand everything my tattoo artist is telling me and advising me. I am not pregnant or breast feeding, and I am not under the direct supervision of a medical doctor. I understand that there is a risk of infection to the tattooed area and that my tattoo artist is not responsible for any infections on my skin or on my tattoo. I understand this may be uncomfortable and if I move often my artist could potentially mess the tattoo up. I will tell my tattoo artist if I need a break, or I need to stretch. I understand most of the tattoos are tiny, fine lined tattoos and they will fade and need to be touched up. I understand there is a fee for this tattoo and the touch up.
